

Cascade Stereoscopic Club Members Gallery

Ray Rowe

I began taking stereo pictures in 1974. I now have more than 5,000 views, including about 1,300 vintage cards. About 3-4 years ago, with advice from several CSC members, I built ten foam-board viewers. Using these instruments, I visit various neighborhood groups and Elderhostel attendees, sharing items from my collections.

The Views

"**Chinese Coolie with Tourist**" 1999, Auburn, California. Stereocard.

"**Viewing Slot**" 1995, Fort Clinch, Amelia Island, Florida. Stereocard.

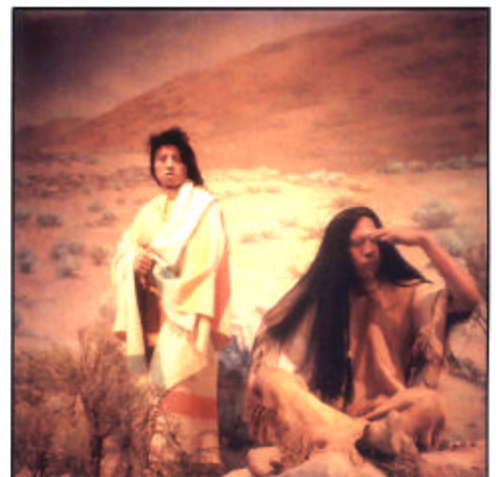

"**The First Ones**" 1994, Oregon Trail Interpretive Center, Baker City, Oregon. Stereocard.
